Independent Auditor's Report on Review of Interim Financial Information

To the Shareholders of Pranda Jewelry Public Company Limited

I have reviewed the accompanying consolidated statement of financial position of Pranda Jewelry Public Company Limited and its subsidiaries as at 31 March 2021, and the related consolidated statements of income, comprehensive income, the related consolidated statement of changes in shareholders' equity and cash flows for the three-month period then ended, as well as the condensed notes to the consolidated financial statements. I have also reviewed the separate interim financial information of Pranda Jewelry Public Company Limited for the same period (collectively "interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*. My responsibility is to express a conclusion on this interim financial information based on my review.

Scope of Review

I conducted my review in accordance with Thai Standard on Review Engagements 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*.

Emphasis of Matter

I draw attention to Note 1.5 to the interim consolidated financial statements. Due to the impact of the COVID-19 outbreak, in preparing the interim financial information for the three-month period ended 31 March 2021, the Group has elected to continue to apply the temporary relief measures on accounting alternatives relating to not to account for any reduction in lease payments by lessors resulting from the Coronavirus disease 2019 pandemic situation as a lease modification.

My conclusion is not modified in respect of this matter.
